Safety Data Sheet

1. Identification
 - a. Manufacturer: Oceans Coffee Co., Inc.
 - b. Location: 7222 W Park Rd, Shreveport, LA 71129
 - c. Phone: (318) 686-1501
 - d. Application: multi-purpose household cleaner
 - e. Product Name: Ocean Brand Pine Oil
2. Hazard Identification
 - a. Keep away from heat, sparks, and open flames
 - b. Avoid contact with eyes
 - c. Avoid ingesting
 - d. Mix only with water
3. Composition
 - a. Water
 - b. Tall oil/Soap AKA Sodium Hydroxide
 - c. Isopropyl alcohol
 - d. Glycol Ether EB
4. First Aid Measures
 - a. If eye contact occurs, immediately flush eyes with plenty of water. If irritation consists, call a physician.
 - b. If swallowed, do not induce vomiting. Promptly drink a large amount of milk or water and call a physician.
5. Fire Fighting Measures
 - a. Special protective equipment: Full breathing apparatus and fire-fighting equipment.
 - b. Special fire-fighting procedures: Use water spray to keep containers cool.
 - c. Conditions to avoid: Heat, sparks, open flame and other sources of ignition.
 - d. Hazardous combustion products: Carbon monoxide and carbon dioxide.
6. Accidental Release Measures
 - a. Large spills: Wear protective equipment, remove sources of ignition, sweep up the material, use absorbent material like sand or saw dust, collect in closed containers, wash area with water because the surface may be slippery.
 - b. Small spills: Wash area with plenty of water and dispose the material in accordance with all local, state and federal regulations. Avoid heat, sparks, open flame and other sources of ignition. Avoid contact with skin, eyes and clothing.
 - c. Methods and Materials for containment and clean up: Use absorbent material and collect in closed containers, wash with plenty water, and transport to sanitary facility.
7. Handling and Storage

- a. Precautions for safe handling: Use with adequate ventilation. Avoid contact with skin, eyes and clothing. Do not eat, drink, or smoke when using the product. Do not mix with acids and other cleaning products
 - b. Recommendations on the conditions for safe storage: Keep out of reach of children. Keep containers closed when not in use. Store in a cool, dry area. Keep away from heat, sparks or open flame.
8. Personal Protection
- a. Eye washer
 - b. General ventilation
 - c. Handle according to good industrial hygiene and safety practices
9. Physical and Chemical Properties
- a. Appearance: clear liquid
 - b. Color and odor: Light yellow and characteristic pine oil smell
 - c. Solubility in water: complete
 - d. Boiling point: 95.0
10. Stability and Reactivity
- a. Reactivity: May react with acidic and other cleaning products.
 - b. Chemical Stability: Stable (under recommended storage conditions)
 - c. Possibility of hazardous reactions: Not under normal handling of product.
 - d. Hazardous decomposition products: Carbon dioxide and carbon monoxide may be produced.
 - e. Hazardous polymerization: Will not occur.
11. Toxicological Information

Information on the likely routes of exposure	Acute	Chronic
Ingestion	May cause irritation to intestinal mucous.	NA
Inhalation	None under normal use conditions.	None under normal use conditions.
Skin	May cause skin irritation.	Repeated or prolonged contact may cause an allergic skin reaction.
Eyes	Causes eye irritation.	NA

12. Ecological Information
- a. Ecotoxicity: harmful to aquatic life (fish and other aquatic invertebrates). Do not allow product to enter lakes, rivers or streams.
 - b. Persistence and degradation in environment: Product is readily biodegradable.
13. Disposable Considerations
- a. Waste disposal methods: Dispose in accordance with all applicable local, state and federal regulations.
 - b. Contaminated packaging: Do not reuse empty containers.
14. Transport Information

- a. Not regulated

15. Regulatory Information

- a. RCRA (40 CFR 261, Subpart D): Not applicable
- b. New Jersey Right to Know Hazardous Substance List: This product contains the following components subject to reporting requirements: Pine oil.
- c. Clean Water Act: Not applicable
- d. Pennsylvania Hazardous Substance List: Not applicable.
- e. Clean Air Act: Not applicable.
- f. Massachusetts Substance List: Not applicable.
- g. SARA Sections 301-304 (Threshold Planning Quantity - TPQ) 40 CFR 355: Not applicable.
- h. State Of Illinois Substance List: Not applicable.
- i. Section 313 (Toxic Chemical Release Reporting) 40 CFR 372: Not applicable.
- j. Michigan Critical Materials Register: Not applicable.
- k. CERCLA Section 102 (Reportable Quantity - RQ): Not applicable.
- l. Canada (WHMIS) - listed material: Not applicable.
- m. California Proposition 65 Carcinogens and reproductive toxins: Not applicable.
- n. TSCA Section 8(b) Inventory Status: All ingredients listed in this product are listed in the TSCA Inventory or are not required to be listed in the TSCA Inventory.

16. Other Information

- a. Not Applicable

DISCLAIMER

The submission of this MSDS may be required by law, but this is not an assertion that the substance is hazardous when used in accordance with proper safety practices and normal handling procedures. Data supplied is for use only in connection with occupational safety and health and not for consumer use. The information contained herein has been compiled from sources considered by CSD Wholesale to be dependable and is accurate to the best of the Company's knowledge. The information relates to the specific material designated herein, and does not relate to the use in combination with any other material or any other process. CSD Wholesale assumes no responsibility for injury to the recipient or third persons, for any damage to any property from misuse of the controlled product.
